“ *My deepest sympathy to all of Randy's family. I know that he is at Home with his Lord, but we grieve his absence. Randy shared my interest in our Ancestry and would begin his calls or texts with "Hey Cuz". When he did his road trip to try to find the graves of our clan, he'd call with each new discovery. He enjoyed building his homes and living for a period close to both of his children - especially being close to his grandkids. Jean, being a widow is hard and you especially will be in my prayers. May the Lord comfort you and give you peace.*
