“ Ray was always an encourager to me and "Uncle Charlie" as he called my husband. He loved to pretend that we were fighting. He'd put up his "dukes" and I would always tell him if he wanted to fight. go outside and if I am not there in 5 minutes, start without me. He loved to pick on me and I appreciate Nancy, Kay, and Charlie for allowing him to do that. It always made him happy. I will certainly miss him. Looking forward to see him again.
