“ *Rex Webster's wife Sheila worked with my Dad Steve Chapman at KWYN years ago. I just today 5, 2022, found out about his passing as I was checking Kernodle Funeral Home website to see who has passed away recently. Sheila you still are considered a family friend to me. I want you to know that I am deeply saddened and sincerely sorry for your loss!!!! I want you to know that I love you and care for you very much! With deepest sympathy. May the memories you cherish and the passing of time bring you peace and comfort. You are in my thoughts and prayers.*

“ Rex was a great person on so many levels, a professional employee that took real pride in his work. Rex was always willing to go the extra mile both in and out of the truck and of course he dearly loved his family. Rex, we will miss you dearly but you'll NEVER be forgotten! See you on the other side!
