“ To one of the most loyal and loving brother a sister cold have. We may not have been brother and sister by blood but it did not matter to us. I thank God that he did not allow Rickey to suffer and I have one more angel watching over me.....I miss you very much but I know we will be together soon...like the song says if heavens wasn't so far away I would pack up the kids, and all the animals and we would just set by the river and have a brother and sister chat....until we met again u will always be n my heart....love DeLana

“ I just want to say prayers for all the family of Rickey. I know you all will miss him greatly. Hope that God will comfort you and let you see His hand moving with you! It is sad that he had to leave this earth so soon but God is in control and He knows what is best. Still I know it is a loss for you all and just wanted to offer my condolences after being in the family for a while.

“ I only knew Rickey from working at Riceland when he would come in to get a load of rice or beans, but he always had a smile, liked to laugh & joke but was always respectful. I was grateful for that!! I thank the Lord for the opportunity to know him for even a short time. I lift all the family up in prayer for peace and comfort in the days ahead.
