“ I never met this angel, but grew up with all "the sisters" living a couple of houses down from his Gramma Paulette from the time I was five yrs old. Ridge's Aunt Jackie & I have remained "sisters" through the years even though I moved to OKC in '81. I've always considered her family mine. This just breaks my heart, as it does everyone else's! I know there's nothing I can say or do to ease the pain, but everyone hurting is in my prayers. We all know we have the chance to see Ridge again when God calls us home, but until then I know it will be hard to deal with his not being present. He is in the arms of the greatest Keeper until you are reunited with him again. I'm sending love and big hugs to everyone who's hurting!💕
