“ *Uncle Robert always shared his love for the Lord. He was always saying how much the lord loved his children. Was not able to see him later in life cause me having my family in Mich and him being in Ark. He would always send Christmas cards or call once a yr. Will see u in heaven and hope your brothers greeted u.*

“ *I will be forever grateful to my Uncle Robert for teaching me about our heavenly father before I was even in my teens. Years later after he moved back home to Arkansas and was in a nursing home for a number of years his faith did not falter. He was a big support to me even then encouraging me to volunteer in the church nursery here in Michigan. I shared with him "I don't know alot of scripture", he said "God will speak through you as long as you have the desire." What a reunion it will be when the next time I see you will be in heaven. RIP your niece, Linda C Nichols*
