No greater man have I ever known then Ron. He was a loving father who loved his family unconditionally. I meet Ron eight years ago an a great friendship was formed. I lost my baby brother last year he always made time in his busy days to check on me. He set a lot of examples in life that we could all follow to make us better men. We will always miss that soft spoken voice and that big smile. I have that same feeling inside now as I did when I lost my brother. I love and will greater miss you.
