“ Susan & N.D.,
We are very sorry to learn of your Mother's death. Amanda and I both worked with her at the power house and Amanda lived in the little yellow house that was located next door to your parent's home. We don't get to Forrest City very often but when we did, we usually ran into Ms. Ruby at a restruant. She always had a smile on her face. we will miss her. Take care, Butchn9

“ So sorry to hear about your mother, I was out of town or I would have been at her service. She was always so sweet to me, always called me by my name and had something to say that made my day. She will not soon be forgotten, so sorry for your loss, Debbie Mcgraw

“ Susan,
So sorry to just learn of the death of your mother. She was always so pleasant to talk with and was a good neighbor to Phil and Kay many years ago when they lived across the street from her. We lost our mother almost three years ago so I know the grief you feel. Please know that you and your family are in my prayers.

“ *I hate to hear of the loss of Ms Dennis. I will never forget as a child going to the power plant to see my dad and Ms dennis greeting you from behind her desk with that big smile. As the years went by she never forgot me and if she saw me out somewhere she always made it a point to speak. My Father, Johnny Mack, always thought alot of her and spoke of her well. She will be greatly missed by us all!*
