“ *Sandra was about 5 yes. old, we watched Mr. Rogers Neighbor hood. On an episode he poured a full glass of milk then drank half of it. Then he said the glass is half full. All if a sudden we looked at each other and busted out laughing. We walked all the way around the block crazy with laughter.*

*Sandy always stayed with us if we needed help caring for our 3 girls or she worked at one of our delicatessen's in Memphis. She was very talented*

*at food display and quickly learned all the recipes. Customers loved her happy attitude. We will miss her funny and always happy outlook on the life that, God blessed her with.*
