She was such a special lady, she always had a smile on her face and it did not matter if she saw me at Debbie's flowers or at Walmart , she always spoke and made me feel like I mattered. Rest In Peace sweet lady, the world lost an angel but God gained one.

“ To Jimmy, Tamara, Jenny Kay, Donna Sue, Sharon, Jimmy, Debbie and all the rest of the family, Don and I cannot tell you in words how deeply our sympathy goes out to all of you. We loved Sharon like a sister - Don went 1st through 12th grades with her. Don and I are unable to attend her funeral, but our hearts and minds will be with you all as it has been since yesterday morning.

Of course one of my favorite memories of Sharon is when she was a little girl always running around in her panties, getting up on the "stage" and performing for us. I think Frances was right there with her but more clothed. LOL Her great laugh will be missed. Her sweet disposition will be missed. I will hold dear all the laughs we shared as children and then as adults.

Prayers for you all. I heard this in Bible Study this morning: "Praying to God may not change the circumstances, but will change you." I think this fits any situation.

Love Don and Carlene
