“ *I remember things we did when we growing up. The fun we had going to MYF and parties that we had at everyone's house. Things like that don't happen any more, but it was fun to us. I enjoyed the times she came to visit me & the times I came to visit her. We laughed , talked & sometimes went someplacher so much. e. I'm going to miss those times. I loved her so much, but I know she is with God now and I know she is happy. I'm not going to be able to come to the funeral, but all of you are in my prayers, Please keep in touch . Ilove you all, Beth*
