“ Me and my Brother lewis, had a lot of fun times hunting the river bottoms for ducks, and fishing, one time we went duck hunting down close to where we used to live with a friend Bill King, we got there early set down by the water in some trees about day light we had ducks right in front of us we could have hit them with the gun barrel, what was so funny not one shot was fired, we were all waiting on someone to shoot first, all the ducks were safe that day,, we all said we would never tell this story, of all the Ducks that got away,,,,, Love you ,,,,, Your Brother Jim Meeks,,,,, Happy Hunting,,,,
