“ I just attempted to call Sonya to check in after years of not speaking with her and found the obituary. Sonya and I worked together for years and she became one of my best friends. She loved hard and was always a voice of reason. She loved Randy and Madelyn and spoke of them fondly and daily. I know she will be missed. Rest in Peace sweet friend.

“ I will never forget you Momma. You left me too soon, but I have to trust that God has a purpose for everything. You were the best woman and human I have ever met. You taught me everything I know. I love you infinity always. Until I see you again, your baby girl, Madelyn❤️

Forget unkind words I have spoken;
Remember some good I have done,
Forget that I ever had a headache,
And remember I've had loads of fun.

Forget that I have stumbled and blundered
And sometimes fell by the way,
Remember I have fought
Some hard battles and won,
Even the close of the day.

Then forget to grieve for my going,
I would not have you sad for a day,
But in summer just gather some flowers
And remember the place where I lay

“ Randy & Madelyn i cannot begin to comprehend your overwhelming shock, awe, disbelief, and grief. You will be in my thoughts & prayers daily and i will never forget Sonya- she was always full of piss & vinegar-spoke her mind & made no apologies for it. She was authentic & genuine. She shall be forever missed and loved.
