Uncle Stanley has been one of the kindest people in our world. He has always be part of our extended family. His children have been more like siblings because we shared so much time together when we were younger. Love to all. We shall meet again 🌟

Stanley Reeves was many things to many people: to so, so many he was simply a dependable and true friend; to many others he was an uncle; to a lot of extended family he was a cousin; a great uncle to another large number; a doting grandpa to his grandkids and great grandkids; a giver of his time and talents to family, friends and neighbors alike; but, one truly special thing Stanley Reeves was, along with all the other things, he was my brother for 80 years. I miss him deeply. Russell Reeves

“ *After visiting Uncle Stanley and family at Fort Knox in 1965 I had the opportunity also to visit them twice in Tokyo on R&R during 1966-67. We all climbed part of Mount Fuji and then rode on the Japanese train which was memorable because none of us spoke Japanese!! Thanks Uncle for all the great times and memories of our lives. I shall never forget! Will miss you! Love, Kendall
