“ I just now saw the posting and I am completely stunned. I have known Steve almost all of his life. I was just in Forrest City in October and stopped to visit but they were in the deer woods, had planned on coming back through in the spring. Sheila and family I know how much you must be hurting and I so wish I could be there. Steve worked for me for so long we felt like he was family. May the Lord hold you up and help you through this process. I will be coming back soon and will stop and visit. Love and Respect forever Bill Kerby
