“ *My heart goes out to the Kersey family. I remember Susan as a young child coming to the emergency room with JR to visit Myra. She became a beautiful young woman, Myra, and I cannot fathom the depths of your loss. My prayer is for God's Love to embrace your family during this painful time. Love, Diane Lee*

“ I was Susan's senior English teacher at FCHS. She lit up the room, and she made me feel like I belonged even though I was alone in a new place at 22. She had so much to give the world and loved helping people through her career. I know she is in heaven holding Lennon, and I'm thankful for that, but I'm so sad for what could have been. God bless the Kersey family and all her other relatives and friends. Thinking of and praying for you all - Jennifer "Crawford" Seaman, Mountain Home, Ar

“ I did not know Susan, but being a friend of Ashley McBryde, I can see the pain and sorry it has brought to her and many more. When your friends are hurting, you too, feel the pain they are experiencing. My heart breaks for you, her family, and I will pray for God to bring you comfort and peace at this difficult time. God has a plan for each of us. We don't know what it is and sometimes we don't understand why things happen the way they do. God will never leave nor forsake you. May God bless.
