“ My deepest condolences to all the family, especially his wife Ruby, children Kevin and Melissa, grandchildren and great-grandchildren, also his siblings. Lots of memories but I think some of my favorites were of him and Charlie Webb sitting on Charlie's porch and the conversations they had, boy those two could sure spit out some "bull"... LOL.. sorry I can't be there for services but know I'm there in spirit and am praying for peace and comfort for you all . The picture I took of TJ and his grandsons...Linda Like
