“ *Tim, what I will always remember most about you is is your personality. You were one of the funniest people I know. All those stories you told (throwing your voice to sound just like who ever you were talking about) about different people. You would have me rolling in the floor laughing. The were absolutely hilarious. And the the funniest thing about it they were True. Usually about Family. I'll never forget you. Love you💙. Jan and Dee Dee I will be praying for peace and comfort for you in the future during this difficult time. Bug and Cathy*

“ *Gosh Tim (Timmy) , we have known each other forever. Heck, we grew up together. We have remained friends and I remember the last time I was there to visit we rode horses for about 6 hours and then you took me deer hunting. It's been a while since we talked but I will always consider you a good friend. Jan and Dee, know you and the family are in my thoughts and prayers.*
