“ Tina, my sweet cousin, it's coming up on 8 years since you went home to be with Jesus. I still think of you often and of our childhood hijinks, I couldn't wait until the weekends when we would come to visit and I got to spend the night with you. I miss you and love you and think of you often. Love your cousin, Candy

“ Kristen I am sorry you lost your mother and best friend. I knew Tina all her life and words can not express how much Joy I have felt all these years when she would enter my thoughts. I remember the first time I caught her dipping and she gave me the biggest grin I have ever seen. I liked her and I loved her> This world has lost a wonderfully funny child of God.
