“ Oh the memories I have of Auntie. She was the one that would play in the snow, ride bikes and fair rides, take me to football games before I could drive, watch Miss USA and Miss America with me and taught me the basics of piano playing. When I was young, she made me German chocolate cakes for my birthday. I miss our Christmas shopping times and the entertainment Unk provided on those trips. We never knew what new dessert she would bring for our Sunday lunches. I was blessed to have her as my aunt. Thankful for the times we spent together and for the sweet and precious memories. Until we meet again. I love you Auntie!!
