“*Sorry I can't be there. My body keeps me from traveling much. But you all are in my thoughts and prayers. Uncle Toad Fog as Uncle Jack always called him will be missed. I remember many a time us grandkids would lay in wait for him to come out of the bathroom after spending long periods of time making sure every hair was in place. We would run up and mess his hair up. He would get so made. But he loved us all and we loved him.*
