“ I remember the time Tyler was at our house (where he was a lot) and he had his dog dogie well he was as big as a pony beautiful dog and I have small dogs so I had cooked supper and turned my back and dogie had got my ham I had baked off the bar it was so funny I never thought about putting it farther back because of my small dogs couldn't reach the food! That silly dog looked so funny with that big ham in his mouth!! This is just one of the adventures of Tyler!! I have lots! RIP Tyler love you and you will be so missed! Love Debbie Bennett 🙏💙🙏
