“ I was so fortunate to work with Mrs. Wanda she was an awesome manager to work for. As a teller she and Sita Fletcher taught me alot of things about myself and other people. But kindness she portrayed always. She always reminded me of my mother whom I lost at 14 she was Wanda Lee Woods- Stevens and lived in Chatfield. I have thought of the wisdom that she shared with me and made me a great manager and Vice President of a bank as well. I took to heart her kindness and loveliness that she showed.. I am sorry that she has passed on I have often wondered where she was. Glad to know that someday I will see her in Heaven. God Bless you all and know what a legacy she leaves behind.

“ I am so sorry to hear about our Mrs. Wanda! She was a patient at our office (Michael O Norris OD). Both Mike and I loved her and Mr. Pat as well! She came to us till she told us that one day, she was just not able to come anymore. I have thought of her on different occasions. Our thoughts and prayers are with you at this time. I know she and Pat are having a wonderful reunion!

“ Mrs. Wanda was a very kind lady when she worked at the bank. I started banking at the First National Bank Of Eastern Arkansas in 1970. She would help you what ever you needed with a smile. Her job was very important when helping other.

“ Wanda Lee was one of my very first friends when we moved to Forrest City. There were no houses after World War II in Forrest City to rent or buy, so we moved into Mrs. Rambo' s empty house in Weidener and lived there one semester. The Paynes lived in that vicinity and we went to the little church in Widener. We rode the school bus (which senior J.C. Rice drove) and enjoyed playing in the vacant lot next to our house and across street from the cotton gin those fall afternoons. Wanda Lee was my favorite person! She was so sweet and kind .. all her life. And so pretty! She was a lovely, lovely lady in every way. I feel so lucky to have been her friend!
