“ I worked with Wanda for a few years. She was a beautiful person and when I think of her little special laugh, it makes me smile. I just heard of her passing and would like her family to know that you are in my prayers. May God continue to comfort you in Jesus' name.

“ Wanda was a beautiful person inside and out. She had her own special little laugh, and always smelled good when she came to work. I loved her little bacon wrapped green beans she always made for holiday dinners. She will be greatly missed by all who knew her. Her work family will always remember her for her caring for others.

“ Please allow me to offer my condolences to the, Tracy family with these comforting words: The pain, the grief, and the feelings of helplessness can seem unbearable. At such times, we need to go to God's Word for comfort. (2 Corinthians 1:3, 4) The Bible helps us to understand how God feel about death. You see, God promises, "your dead will live" again. (Isaiah 26:19) I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl
