“ To my brother Wayne that went to be with the Lord, Wayne I remember a picture of you holding the horses reigns while you carried me around the pasture on a Shetland pony, I have that picture and cherish it deeply in my heart. I had a big smile on my face enjoying big brother walking me around on the pony... I remember you being big brother giving advice and you were always right and there for any of us, you had a head full of knowledge and gave advice from your heart, I deeply am so sorry not being there for your passing, I also have serious health issues, I know you would had understood because you thought about others and not hesitate to help someone in need, I am grateful to have seen you in better health, that is what I will remember..I miss you and will see you when the Lord is ready for me. 😭❤️
