“ *William Aiden was only here 3 hours but he experienced the greatest love from his parents and family. He brought us a great joy also. He was perfect from those full pouty lips like his mom to that dark thick hair like his dad ! There will never be a day that I don't think of my grandson and miss him. But I will see him again one day* 💙💙 *until then he will be our Angel in heaven* 😇. *I love you Aiden...signed GoGo*
